On their recent Wedding.

Happy Valentines Day.

Dance Tip

There only 3 kinds of people at a Dance Saloon.

- 1.) The ones that can and do "lead".
- 2.) The ones want to and get out there and learn and to "follow"
- 3.) The ones that want to and have the nerve to "get Out of the way"

If your just starting out don't just stand there, get out and go for it. Your nerves will settle down once you get on the dance floor. No one started out a great dancer it just takes lots of practice.

We hope everyone survived the winter storm we had.

In the event of bad weather, Please check The web site for class cancellation and updates.

If you'd like to become a member of the Moose Lodge, please see Bob or Lucy for Membership details.
