Dance Tips

Country Dancing is a fun activity for everyone. The range ability is from beginners to competitors. Try not to be intimidated by someone who's a better dancer. The main thing to remember is they started right where you are now. Enjoy the dance and have fun...You will keep learning until one day you'll be sharing your knowledge with someone else.

When you go out dancing it is very important to remember to go easy on the Perfumes and Colognes. Men always wash your hands after You apply cologne or after shave. If not and you ask a lady for a dance she will get that smell on her and it will be there the rest of the Night.

We arrive at the Moose about 5:00 pm for anyone who wants to come and practice before class.

We have had several

Inquiries about pictures on the web site.

We are having camera problems so until we

Get a new one or get ours fixed we won't be able to update

Pictures.
