If the dance floor is crowded, take smaller steps to avoid colliding with other dancers. If a collision should occur, be courteous and apologize, no matter who was at fault. Also, keep conversations to a minimum. Other dancers are trying to concentrate and listen to the music. It's quite annoying to hear people talking during a dance. Save the chit-chat for the table.</p> <p>  <b>Comfortable shoes and clothes are a must for dancing. Invest in them.</b></p> <p><b>Technique is better than moves. But new moves are still cool; if you've got the technique.</b></p> <p><b>Positive attitudes are contagious. So are negative ones. Which do you like?</b></p> <p><b>Why do bands and DJ's always announce a Waltz as a slow dance like it's supposed to be less tiring?</b></p> <p><b>Introduce yourself to the new dancer. You were there once.</b></p> <p><b>You spend both money and time on lessons. Don't waste both by not practicing.</b></p>	<p><i>We arrive at the Moose about 5:00 pm for anyone who wants to come and practice before class.</i></p> <p><i>Be sure to fill out the email sheets at class. This will let you know about special events, Parties, class reminders.</i></p> <p><i>Also in the event of bad weather for class cancellation we will send out emails before 3:00 pm the day of class.</i></p> <p> <b>Coming in</b>  <b>JULY &amp; AUGUST</b>  <b>TWO-STEP</b></p> <p></p> <p><i>See you on the Dance Floor!</i>  <i>Bob &amp; Lucy</i></p>
